Jan.	10	<i>"Emergency Preparedness"</i>	2	\$35
------	----	---------------------------------	---	------

Speaker: Donna Nuzzi,
Emergency Services Supervisor
City of Santa Clarita

Overview: Following a disaster, you and your family may be on your own for 72 to 96 hours, or more; perhaps no electricity, gas, or running water. In addition, roads and bridges could be impacted by the disaster event. Are you ready to respond to a disaster situation at home, work, school, or even at a movie? This presentation will empower you to take action, and to be prepared and equipped when an emergency or disaster occurs. Invest in your time to be disaster resilient!

***"Changing Role of Dental Hygienists
and Emerging Workforce Models"***

2

\$35

Speaker: Lisa Lee Okamoto, RDH
CDHA President

Overview: This course will discuss the evolving role of dental hygienists, and workforce models which impact us as preventative oral healthcare providers. Dental Practice Acts are being reviewed with access to care in mind. What changes in our Scopes of Practice including allowable settings, employers, and supervision levels might be considered, affecting all hygienists in California?

Time: 6 P.M. - 8 P.M.

Location: Mimi's Cafe
